Sangari, MBBS; Michael L. Schmitz, MD	A multidisciplinary clinic combining pediatric medicine, psychosocial evaluation, biofeedback, acupuncture, and regional anesthetic interventions.
AZ	Phoenix	Pediatric Pain Service	Phoenix Children's Hospital	http://www.phoenixchildrens.com	1919 E. Thomas Rd, Phoenix, AZ 85016 Tel: 602.546.1537	John Jones, MD Medical Director Sarah Beaumont, MD (Outpatient Clinic)	A comprehensive interdisciplinary dual inpatient and outpatient program. The inpatient program is a physician run Complex Pain Program that includes 7 anesthesiologists, 2 NPs, physical therapy, rehabilitative medicine, psychology, psychiatry, child life, social work, case managers and school reentry specialists in addition to pediatricians. Psychologists perform assessments and work on biofeedback, guided imagery and relaxation techniques. The medical team manages coordination of care, medications and when indicated, performs invasive procedures. The outpatient program offers the same anesthesiologists and nurse practitioners as well as adolescent and developmental pediatricians and a social worker.
