

Seeking a Pain Specialist?

The American Pain Society (APS) is the leading multidisciplinary organization of basic and clinical scientists, practicing physicians, policy analysts, and other leaders in the study and treatment of pain.

With over 2,500 highly skilled and trained members specializing in pain, APS is the premier source to reach professionals within this specialized field.

The APS Career Center is an online resource designed to help you recruit qualified specialists in the field of pain medicine. The APS Career Center helps streamline your hiring process with the following benefits:

- **Unmatched exposure for job listings**—APS represents the largest audience of qualified pain medicine specialists.
- **Access to the National Healthcare Career Network**—Have your jobs seen by tens of thousands of qualified candidates.
- **Membership** current interest areas: 60% in clinical and 32% in research
- **80%** specialize in chronic pain
